## Rod End WGAS140 - Bore 140MM x M160x4 - BSP/F - Clampable

<https://www.nexaparts.com/rod-end-wgas140-bore-140mm-x-m160x4-bspf-clampable>

### Specificaties

|                                  |                                                    |
|----------------------------------|----------------------------------------------------|
| Productnummer                    | WGAS140                                            |
| EAN                              | 6096004938917                                      |
| Merk                             | NexaParts                                          |
| Categorie                        | Rod Ends                                           |
| Materiaal                        | Gietijzer                                          |
| Kleur                            | Metaal                                             |
| Style                            | WGAS140                                            |
| model                            | Stangkop onderhoudsplichtig klembaar opschroefbaar |
| Gewicht                          | 123.50 Kg                                          |
| Color                            | Metaal                                             |
| Material                         | Gietijzer                                          |
| Model                            | Stangkop onderhoudsplichtig klembaar opschroefbaar |
| Basic load ratings dynamic       | 950 kN                                             |
| Basic load ratings statisch      | 2900 kN                                            |
| Bearing Width                    | 85 mm                                              |
| CN Radial internal clearance     | 0,065 - 0,165 mm                                   |
| d (Bearing bore)                 | 140 mm                                             |
| h1 (Shank length)                | 420 mm                                             |
| L3 min (Thread length)           | 190 mm                                             |
| Maintenance Nippel               | Yes                                                |
| Maintenance required             | Yes                                                |
| Rod end Housing thickness (S1)   | 90 mm                                              |
| Thread size                      | M160x4                                             |
| Tilting angle                    | 6 ° ?                                              |
| Total height Rod end (L, L2, L4) | 620                                                |

### Pluspunten

- + For Clamping
- + Grease nipple
- + Heavy Duty
- + Sliding Surface is Steel/steel
