## Rod End WAPR16S - GIHO-K16DO - SIJ16ES - Bore 16MM x M12x1,25 -

<https://www.nexaparts.com/rod-end-wapr16s-giho-k16do-sij16es-bore-16mm-x-m12x125-bspf-clampable>

### Specificaties

|                                  |                                                    |
|----------------------------------|----------------------------------------------------|
| Productnummer                    | WAPR16S - GIHO-K16DO - SIJ16ES                     |
| EAN                              | 7440846278226                                      |
| Merk                             | NexaParts                                          |
| Categorie                        | Rod Ends                                           |
| Materiaal                        | C45                                                |
| Kleur                            | Metaal                                             |
| Style                            | WAPR16S - GIHO-K16DO - SIJ16ES                     |
| model                            | Stangkop onderhoudsplichtig klembaar opschroefbaar |
| Gewicht                          | 0.23 Kg                                            |
| Color                            | Metaal                                             |
| Material                         | C45                                                |
| Model                            | Stangkop onderhoudsplichtig klembaar opschroefbaar |
| Basic load ratings dynamic       | 100 kN                                             |
| Basic load ratings statisch      | 250 kN                                             |
| Bearing Width                    | 14 mm                                              |
| CN Radial internal clearance     | 0,043 - 0,120 mm                                   |
| d (Bearing bore)                 | 16 mm                                              |
| h1 (Shank length)                | 48 mm                                              |
| L3 min (Thread length)           | 17 mm                                              |
| Maintenance Nippel               | Yes                                                |
| Maintenance required             | Yes                                                |
| Norm                             | DIN 24555                                          |
| Rod end Housing thickness (S1)   | 11 mm                                              |
| Thread size                      | M12x1,25                                           |
| Tilting angle                    | 7 ° ?                                              |
| Total height Rod end (L, L2, L4) | 70,5                                               |

### Pluspunten

- + DIN24555
- + For Clamping
- + Grease Nipple

**Pluspunten**

- + Lubrication possible
- + Sliding Surface is Steel/steel
