## Angular Bearing GAC50S - \*GE50SX - 50 x 80 x 20 x 19 x 20mm

<https://www.nexaparts.com/angular-bearing-gac50s-ge50sx-50-x-80-x-20-x-19-x-20mm>

### Specificaties

|                               |                                                |
|-------------------------------|------------------------------------------------|
| Productnummer                 | GAC50S - GE50SX                                |
| EAN                           | 7440846251250                                  |
| Merk                          | NexaParts                                      |
| Categorie                     | Angular Contact Spherical Plain Bearing        |
| afmeting                      | 50 x 80 x 20 x 19 x 20 mm                      |
| Materiaal                     | Staal                                          |
| Kleur                         | Metaal                                         |
| Style                         | d (gat) 50 mm                                  |
| model                         | Hoekcontact gewrichtslagers onderhoudsplichtig |
| Gewicht                       | 0.46 Kg                                        |
| B (Inner ring width)          | 20 mm                                          |
| Basic load ratings dynamic    | 123 kN                                         |
| Basic load ratings statisch   | 618 kN                                         |
| C (Width of outer ring)       | 19 mm                                          |
| Color                         | Metaal                                         |
| D (Outer diameter outer ring) | 80 mm                                          |
| Dimensions                    | 50 x 80 x 20 x 19 x 20 mm                      |
| Material                      | Staal                                          |
| Model                         | Hoekcontact gewrichtslagers onderhoudsplichtig |
| Norm                          | DIN ISO 12 240-2 mm                            |
| Seals                         | No                                             |
| Tilting angle                 | 1,5 ° ?                                        |
| d (Bearing bore)              | 50 mm                                          |

### Pluspunten

- + Meets the requirements of the DIN ISO 12 240-2 Norm
- + No rolling parts

### Minpunten

- Relatively low speeds
