### Specificaties

|                               |                                       |
|-------------------------------|---------------------------------------|
| Productnummer                 | GEC500COMP-P                          |
| Merk                          | NexaParts                             |
| Categorie                     | Radial Spherical Plain Bearings       |
| afmeting                      | 500 x 670 x 195 x 230 mm              |
| Materiaal                     | RVS / hardweefsel composiet           |
| Kleur                         | Metaal                                |
| Style                         | GEC500COMP-P (d (gat) 500 mm)         |
| model                         | Gewrichtslager radiaal onderhoudsvrij |
| Gewicht                       | 243.00 Kg                             |
| B (Inner ring width)          | 230 mm                                |
| Basic load ratings dynamic    | 10215 kN                              |
| Basic load ratings statisch   | 17945 kN                              |
| C (Width of outer ring)       | 195 mm                                |
| CN Radial internal clearance  | 0,160 - 0,320 mm                      |
| Color                         | Metaal                                |
| d (Bearing bore)              | 500 mm                                |
| D (Outer diameter outer ring) | 670 mm                                |
| Material                      | RVS / hardweefsel composiet           |
| Model                         | Gewrichtslager radiaal onderhoudsvrij |
| Norm                          | DIN ISO 12 240-1 C                    |
| Seals                         | No                                    |
| Tilting angle                 | 3 ° ?                                 |
| Dimensions                    | 500 x 670 x 195 x 230 mm              |
