## Water hose - Suction hose / Pressure - Multi purpose EPDM - Ohm -

<https://www.nexaparts.com/water-hose-suction-hose-pressure-multi-purpose-epdm-ohm-152mm-cutting-length-per-meter>

### Specificaties

|                       |                                                                    |
|-----------------------|--------------------------------------------------------------------|
| Productnummer         | 24978                                                              |
| EAN                   | 9508959662542                                                      |
| Merk                  | Multi 20                                                           |
| Categorie             | Rubber Hoses                                                       |
| Materiaal             | EPDM                                                               |
| Kleur                 | Zwart                                                              |
| Style                 | Ø152mm (per meter)                                                 |
| model                 | Multi Purpose waterslang                                           |
| Diepte/lengte         | 100.00                                                             |
| Breedte               | 16.60                                                              |
| Hoogte                | 16.60                                                              |
| Gewicht               | 6.10 Kg                                                            |
| Outer diameter        | 166 mm                                                             |
| Inner diameter        | 152 mm                                                             |
| Length                | 1m                                                                 |
| Inner diameter        | 152                                                                |
| Outer Diameter        | 166mm                                                              |
| applicable for        | Water, Gier, Tankwagen                                             |
| Barst pressure        | 30 bar                                                             |
| Color                 | Zwart                                                              |
| Color 2               | Zwart                                                              |
| Dimensions            | Per Meter                                                          |
| Electrical Conduction | R<10?                                                              |
| Inner surface         | Geleidend, EPDM, zwart, glad                                       |
| Insert                | Sterke synthetische textiel inlagen, stalen spiraal                |
| Material              | EPDM                                                               |
| Model                 | Multi Purpose waterslang                                           |
| Outer surface         | Zwart, EPDM, doekafdruk, geleidend, weer- en verouderingsbestendig |
| Temperatur range      | -30°C / +120°C                                                     |
| Wall Thickness        | 7 mm                                                               |

**Specificaties**

Work pressure 10 bar
