## Flat waterhose - 80mm (roll 50m)

<https://www.nexaparts.com/flat-waterhose-80mm-roll-50m>

### Specificaties

|                  |                                          |
|------------------|------------------------------------------|
| Productnummer    | 33732                                    |
| EAN              | 9507651648632                            |
| Merk             | NexaParts                                |
| Categorie        | Rubber Hoses                             |
| Style            | Platte waterslang - 80mm (Rol 50m)       |
| Diepte/length    | 5000.00                                  |
| Breedte          | 8.00                                     |
| Hoogte           | 8.00                                     |
| Inner diameter   | 80 mm                                    |
| Length           | Rol (50m)                                |
| Color            | Blauw                                    |
| Inner diameter   | 80                                       |
| Max length       | 50m                                      |
| Outer Diameter   | 82mm                                     |
| applicable for   | Water en lichte chemicalien              |
| Barst pressure   | 24 bar                                   |
| Color 2          | Blauw                                    |
| Dimensions       | Volle rol 50m                            |
| Inner surface    | Glad, PVC                                |
| Insert           | Sterke synthetische textiel inlagen      |
| Material         | PVC                                      |
| Model            | Waterslang Plat oprolbaar                |
| Outer diameter   | 82 mm                                    |
| Outer surface    | Weer- en verouderingsbestendig blauw PVC |
| Temperatur range | -10°C / +60°C                            |
| Work pressure    | 8 bar                                    |

### Pluspunten

- + Flat rollable
- + Good wear resistance
- + Lightweight

## **Minpunten**

- Relative low working pressure
