## Radiator hose - hot water hose - Kink-free - 20 x 28 mm (cutting length per

<https://www.nexaparts.com/radiator-hose-hot-water-hose-kink-free-20-x-28-mm-cutting-length-per-meter>

### Specificaties

|                     |                                                               |
|---------------------|---------------------------------------------------------------|
| Productnummer       | 2673                                                          |
| EAN                 | 9502626136831                                                 |
| Merk                | Radioflex                                                     |
| Categorie           | Rubber Hoses                                                  |
| Style               | ø20 x 28 mm (per meter)                                       |
| Diepte/lengte       | 100.00                                                        |
| Breedte             | 2.80                                                          |
| Hoogte              | 2.80                                                          |
| Gewicht             | 0.52 Kg                                                       |
| Inner diameter      | 20 mm                                                         |
| Length              | 1m                                                            |
| Outer diameter      | 28 mm                                                         |
| Inner diameter      | 20                                                            |
| Outer Diameter      | 28mm                                                          |
| applicable for      | Koelsysteem, verwarmingsysteem                                |
| Barst pressure      | 15 bar                                                        |
| Color               | Zwart                                                         |
| Color 2             | Zwart                                                         |
| Dimensions          | Per Meter                                                     |
| Inner surface       | EPDM, zwart, glad                                             |
| Insert              | Sterke synthetische textiel inlagen, stalen spiraal           |
| Material            | EPDM                                                          |
| Minimum bend radius | 40 mm                                                         |
| Model               | Waterslang / Radiatorslang                                    |
| Outer surface       | Grieks profiel, EPDM, zwart, warmte- en verouderingsbestendig |
| Temperatuur range   | -40°C / +120°C                                                |
| Wall Thickness      | 5 mm                                                          |

### Pluspunten

+ Aging resistant

**Pluspunten**

- + Little bending radius
- + Relatively high bursting power
