## Straight Bushing BRO - MET® BMZ 220140- (220x225x140)

<https://www.nexaparts.com/straight-bushing-bro-met-bmz-220140-220x225x140>

### Specificaties

|                   |                                                         |
|-------------------|---------------------------------------------------------|
| Productnummer     | BMZ.220140                                              |
| Merk              | GLT                                                     |
| Categorie         | Sliding Bearings                                        |
| afmeting          | Inner diameter: 220   Outer diameter: 225   Length: 140 |
| Materiaal         | Brons                                                   |
| Kleur             | Bruin                                                   |
| Style             | 220x225x140                                             |
| model             | Cilinderbus                                             |
| Diepte/lengte     | 14.00                                                   |
| Breedte           | 22.50                                                   |
| Hoogte            | 22.50                                                   |
| Model Description | Glijlager met smeerpockets                              |
| Color             | Bruin                                                   |
| Dimensions        | Inner diameter: 220   Outer diameter: 225   Length: 140 |
| Dynamic load      | 40 N/mm <sup>2</sup>                                    |
| Friction value    | 0,05 tot 0,12 µ                                         |
| Material          | Brons                                                   |
| Model             | Cilinderbus                                             |
| Rotation speed    | 2,5 m/s                                                 |
| Static Load       | 120 N/mm <sup>2</sup>                                   |
| Temperatur range  | -40 to +250                                             |
| Inner diameter    | 220 mm                                                  |
| Outer diameter    | 225 mm                                                  |
| Length            | 140 mm                                                  |

### Pluspunten

- + Bronze with lubricant depots
- + For heavy Loads
- + Low maintenance
- + Resistant to corrosion
