## Straight Bushing BRO - LUB® BLZ 300150- (300x305x150)

<https://www.nexaparts.com/straight-bushing-bro-lub-blz-300150-300x305x150>

### Specificaties

|                  |                                                         |
|------------------|---------------------------------------------------------|
| Productnummer    | BLZ.300150                                              |
| Merk             | GLT                                                     |
| Categorie        | Sliding Bearings                                        |
| afmeting         | Inner diameter: 300   Outer diameter: 305   Length: 150 |
| Materiaal        | Brons                                                   |
| Kleur            | Bruin                                                   |
| Style            | 300x305x150                                             |
| model            | Cilinderbus                                             |
| Diepte/lengte    | 15.00                                                   |
| Breedte          | 30.50                                                   |
| Hoogte           | 30.50                                                   |
| Color            | Bruin                                                   |
| Dimensions       | Inner diameter: 300   Outer diameter: 305   Length: 150 |
| Dynamic load     | 40 N/mm2                                                |
| Friction value   | 0,03 tot 0,25 µ                                         |
| Material         | Brons                                                   |
| Model            | Cilinderbus                                             |
| Rotation speed   | 2,5 m/s                                                 |
| Static Load      | 120 N/mm2                                               |
| Temperatur range | -100 tot +200                                           |
| Inner diameter   | 300 mm                                                  |
| Outer diameter   | 305 mm                                                  |
| Length           | 150 mm                                                  |

### Pluspunten

- + Bronze plain bearing with filled lubrication containers
- + High Loadability
- + No maintenance
