## Flanged Bushing BRO - MET® BMB 7570- (75x80x70)

<https://www.nexaparts.com/flanged-bushing-bro-met-bmb-7570-75x80x70>

### Specificaties

|                   |                                                                           |
|-------------------|---------------------------------------------------------------------------|
| Productnummer     | BMB.7570                                                                  |
| EAN               | 7442957193139                                                             |
| Merk              | GLT                                                                       |
| Categorie         | Sliding Bearings                                                          |
| afmeting          | Inner diameter: 75   Outer diameter: 80   Length: 70   Flancediameter: 90 |
| Materiaal         | Brons                                                                     |
| Kleur             | Bruin                                                                     |
| Style             | 75x80x70                                                                  |
| model             | Cilinderbus met flens                                                     |
| Diepte/lengte     | 7.00                                                                      |
| Breedte           | 8.00                                                                      |
| Hoogte            | 8.00                                                                      |
| Model Description | Glijlager met smeerpockets                                                |
| Color             | Bruin                                                                     |
| Dimensions        | Inner diameter: 75   Outer diameter: 80   Length: 70   Flancediameter: 90 |
| Dynamic load      | 40 N/mm2                                                                  |
| Friction value    | 0,05 tot 0,12 $\mu$                                                       |
| Material          | BRONS/BRONS                                                               |
| Model             | Cilinderbus met flens                                                     |
| Rotation speed    | 2,5 m/s                                                                   |
| Static Load       | 120 N/mm2                                                                 |
| Temperatur range  | -40 to +250                                                               |
| Inner diameter    | 75 mm                                                                     |
| Outer diameter    | 80 mm                                                                     |
| Length            | 70 mm                                                                     |
| Flange Diameter   | 90 mm                                                                     |

### Pluspunten

- + Bronze with lubricant depots
- + For heavy Loads

**Pluspunten**

- + Low maintenance
- + Resistant to corrosion
