### Specificaties

|                   |                                                                              |
|-------------------|------------------------------------------------------------------------------|
| Productnummer     | BMB.30060                                                                    |
| EAN               | 7442957192170                                                                |
| Merk              | GLT                                                                          |
| Categorie         | Sliding Bearings                                                             |
| afmeting          | Inner diameter: 300   Outer diameter: 305   Length: 60   Flancediameter: 340 |
| Materiaal         | Brons                                                                        |
| Kleur             | Bruin                                                                        |
| Style             | 300x305x60                                                                   |
| model             | Cilinderbus met flens                                                        |
| Diepte/lengte     | 6.00                                                                         |
| Breedte           | 30.50                                                                        |
| Hoogte            | 30.50                                                                        |
| Model Description | Glijlager met smeerpockets                                                   |
| Color             | Bruin                                                                        |
| Dimensions        | Inner diameter: 300   Outer diameter: 305   Length: 60   Flancediameter: 340 |
| Dynamic load      | 40 N/mm2                                                                     |
| Friction value    | 0,05 tot 0,12 $\mu$                                                          |
| Material          | BRONS/BRONS                                                                  |
| Model             | Cilinderbus met flens                                                        |
| Rotation speed    | 2,5 m/s                                                                      |
| Static Load       | 120 N/mm2                                                                    |
| Temperatur range  | -40 to +250                                                                  |
| Inner diameter    | 300 mm                                                                       |
| Outer diameter    | 305 mm                                                                       |
| Length            | 60 mm                                                                        |
| Flange Diameter   | 340 mm                                                                       |

### Pluspunten

- + Bronze with lubricant depots
- + For heavy Loads

**Pluspunten**

- + Low maintenance
- + Resistant to corrosion
