## Flanged Bushing TEF - MET®/B TFB/B 90100- (90x95x100)

<https://www.nexaparts.com/flanged-bushing-tef-metb-tfbb-90100-90x95x100>

### Specificaties

|                   |                                                                             |
|-------------------|-----------------------------------------------------------------------------|
| Productnummer     | TFB_B.90100                                                                 |
| EAN               | 7442957130141                                                               |
| Merk              | GLT                                                                         |
| Categorie         | Sliding Bearings                                                            |
| afmeting          | Inner diameter: 90   Outer diameter: 95   Flancediameter: 110   Length: 100 |
| Materiaal         | Brons / PTFE                                                                |
| Kleur             | Bruin                                                                       |
| Style             | 90x95x100                                                                   |
| model             | Cilinderbus met flens                                                       |
| Diepte/length     | 10.00                                                                       |
| Breedte           | 9.50                                                                        |
| Hoogte            | 9.50                                                                        |
| Model Description | Glijlager onderhoudsvrij                                                    |
| Color             | Bruin                                                                       |
| Dimensions        | Inner diameter: 90   Outer diameter: 95   Flancediameter: 110   Length: 100 |
| Dynamic load      | <140 N/mm2                                                                  |
| Friction value    | 0,02 tot 0,25 $\mu$                                                         |
| Material          | Brons / PTFE                                                                |
| Model             | Cilinderbus met flens                                                       |
| Rotation speed    | <2,5 m/s                                                                    |
| Static Load       | <200 N/mm2                                                                  |
| Temperatur range  | -200 tot +280                                                               |
| Inner diameter    | 90 mm                                                                       |
| Outer diameter    | 95 mm                                                                       |
| Length            | 100 mm                                                                      |
| Flange Diameter   | 110 mm                                                                      |
