### Specificaties

|                               |                                           |
|-------------------------------|-------------------------------------------|
| Productnummer                 | GE160ES-2RS - GE160DO-2RS                 |
| EAN                           | 7440846226289                             |
| Merk                          | NexaParts                                 |
| Categorie                     | Radial Spherical Plain Bearings           |
| afmeting                      | 160 x 230 x 80 x 105 mm                   |
| Materiaal                     | Staal / Staal                             |
| Kleur                         | Metaal                                    |
| Style                         | GE160ES-2RS (d (gat) 160 mm)              |
| model                         | Gewrichtslager radiaal onderhoudsplichtig |
| Gewicht                       | 14.01 Kg                                  |
| B (Inner ring width)          | 105 mm                                    |
| Basic load ratings dynamic    | 1360 kN                                   |
| Basic load ratings statisch   | 6800 kN                                   |
| C (Width of outer ring)       | 80 mm                                     |
| CN Radial internal clearance  | 0,100 - 0,192 mm                          |
| Color                         | Metaal                                    |
| d (Bearing bore)              | 160 mm                                    |
| D (Outer diameter outer ring) | 230 mm                                    |
| Material                      | Staal / Staal                             |
| Model                         | Gewrichtslager radiaal onderhoudsplichtig |
| Norm                          | DIN ISO 12 240-1 E                        |
| Seals                         | Yes                                       |
| Tilting angle                 | 8 ° ?                                     |
| Dimensions                    | 160 x 230 x 80 x 105 mm                   |

### Pluspunten

- + Alternative for Schaeffler Ina Elges GE160DO-2RS
- + Alternative for SKF GE160ES-2RS
